

MainWindow::change  
\_rotationY

```
graph LR; A[MainWindow::MainWindow] --> B[MainWindow::change_rotationY]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'MainWindow::change' on the top line and '\_rotationY' on the bottom line. The box on the right is white and contains the text 'MainWindow::MainWindow'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from the constructor to the rotation method.

MainWindow::MainWindow
